### FRENCH SWINDLERS.

Mons. Vizavona, French Consul, has notified High Sheriff Brown to be on the lookout for the famous swindlers, the Humberts and Danquines, who were recently exposed in France after having swindled people from many parts of the world out of several million francs. The Consul has received descriptive circulars from the Tribunal of the First Instance of the Department of the Seine, France.

The French Minister of the Interior offers \$25,000 francs for information of the swindlers which will lead to their arrest. Each circular contains half-tones of Eugene Humbert, Madame Humbert, Maria Daurignac, Madame Daurignac and Emile Daurignac. Minute descriptions of each one are given. There is a possibility that the party left France in a yacht as it is known that they owned such a vessel.

## DEATH OF DR. OLIVER

HE PASSED AWAY YESTERDAY AFTERNOON

AN ENGLISHMAN BORN AND RESIDENT OF HAWAII FOR THIRTY YEARS—KINDLY AND POPULAR.

Dr. Richard Oliver died at 3 o'clock yesterday afternoon, about the very hour when the Bulletin published his obituary notice. He had been prostrated for a week or ten days and hopes of his recovery were very faint for some days.

A native of Essex, England, Dr. Oliver was 61 years of age at death, having been a resident of the Hawaiian Islands for 30 years. For a long time he occupied a position as traveling physician on Hawaii, and later was in the employ of the Board of Health in this city. About twelve years ago he was appointed to the position of resident physician at Honolulu and he was retained in office by successive boards.

Dr. Oliver was one of the most popular physicians with the sick folk at the settlement of all who ever were stationed there. A few months ago, however, charges were preferred against him and he then spent some time in jail for some offense while in a dying condition. Both officials were removed but Dr. Oliver claimed he had not had an open hearing and his removal bore heavily on his mind.

Dr. Oliver was a man of very kindly manners and possessed in a wide degree the confidence of the native Hawaiians. He leaves a native wife and a son. During his incumbency at the settlement, the late doctor collected much data relating to the terrible mauli, which he intended some time to publish for the benefit of the medical world.

David Dayton, an old friend, has charge of the funeral, which will take place from St. Andrew's Cathedral at 3 o'clock this afternoon.

### WILL REFUND ANY TAX ON BEQUESTS

Roy H. Chamberlain, Collector of Internal Revenue, is ready to refund any tax paid in Hawaii on bequests for the use of religious, charitable or educational institutions, if proper application is made to him. The following letter from the Acting Commissioner which explains the method of obtaining this refund:

The claims shall be made upon the usual refunding blank (Form 40) issued by the Internal Revenue Office and to be obtained from collectors of internal revenue.

In cases where estates have not been closed, the claims should be made by executors or administrators.

Where estates have been closed and the administrators or executors discharged, the claim should be made by an officer of the corporation, association or society upon whose legacy or bequest the tax was paid, provided that the tax was actually deducted from the legacy or that the legacy was decreased by the payment of the tax.

If in any case where the estate has been closed the tax was paid from the corpus of the estate and the separate legacies were not reduced on account of the taxation, the claim should be made by the residuary legatee or parties who actually bore the burden of taxation.

In all cases the claim should be made under oath before an internal revenue officer, or an officer with a seal, and must be accompanied by satisfactory evidence as to the character of the corporation, association or society, and evidence as to whether the tax was paid from the corpus of the estate or from the individual legacies.

The claims should be filed with the collectors of the districts in which the taxes were paid, or with the deputy collector of the division of such district in which the claimant resides.

The deputy collector will investigate the facts and furnish a certificate under oath, and the collector will also make such investigation as will enable him to certify to the truth of the claimant's statement, the validity of the claim, the amount of tax paid, and the date of payment.

After the collector has certified to the claims he will forward them to the office of the Commissioner of Internal Revenue, who will cause them to be examined, and in all cases where he is satisfied that the amount claimed or any portion thereof was paid by the claimant as taxes on legacies for the use of a religious, literary, charitable or educational character, or for the encouragement of art, or legacies or bequests to societies for the prevention of cruelty to children, he will make the proper allowance thereon, first submitting cases where the amount involved exceeds \$250 to the Secretary of the Treasury for his consideration and advice. After the allowance by the Commissioner of Internal Revenue the claim will be submitted to the Auditor for the Treasury Department for adjustment.

The Auditor will adjust the claims as claims for the refunding of taxes erroneously collected are now adjusted, and the warrants when drawn shall be transmitted to the Commissioner of Internal Revenue who will mail them to the collector for delivery.

ROBT. WILLIAMS JR., Acting Commissioner.
